nominate the above mare for Service/Artificial Insemination to the stallion _____.

I/we agree with the following terms & conditions:

1. Semen will be sent after payment of the service fee and delivery fee.
2. The delivery fee covers the cost of collection and first shipment of semen. The cost is \$300.00 for Qld and \$330.00 for all other states except WA (please enquire).
3. Each additional shipment of semen must be paid in advance. Regular collections are on Monday, Wednesday, Friday (please enquire about weekend deliveries).
4. The nominated mare must be examined by ultrasound scanner between 15 to 18 days after each insemination, and Kinnordy Stud must be immediately informed of the result. Further examinations after 30 and 45 days are advised.
5. A Service/Artificial Insemination Certificate will be sent to the owner of the mare. All insemination dates must be entered and the result of a negative/positive pregnancy test must be stated and certified by the veterinarian/AI technician on that form. 8. The service cannot be transferred to another mare or a third party. No money will be refunded.
9. The equitainer must be returned to Kinnordy Stud at the expense of the mare owner immediately after the insemination, otherwise the cost of the equitainer must be paid by the client.
